NAME	CONTACT / WEBSITE	TYPE OF SERVICES
Maine Office of Behavioral Health	OBH Home Department of Health and Human Services (maine.gov)	The Office of Behavioral Health (OBH) supports Maine people with mental health, substance use, and co-occurring disorders in living not only symptom-free but with dignity, hope, and meaning.
Maine Children’s Behavioral Health System	Children’s Behavioral Health Department of Health and Human Services (maine.gov)	Children’s Behavioral Health Services (CBHS) facilitates providing services for the benefit of Maine children, youth, and families. While CBHS is not a direct-service provider, their mission is to oversee and provide access to a broad range of services for children up to their 21st birthday and their families, including: <ul style="list-style-type: none"> • Mental Health • Intellectual Disability • Pervasive Developmental Disorders • Developmental Disability
Youth Move National	youthmovenational.org	Youth MOVE National connects, supports, and develops youth leadership in advocacy to create positive change. They practice youth engagement through youth-driven decision-making by elevating youth voices of lived experience and ensuring that young people are heard and valued as leaders in the agencies, communities, and systems that impact their lives.
Assistance Plus	www.assistanceplus.com	Assistance Plus is a home care, behavioral health, and developmental disabilities organization specializing in providing the best in-home care, developmental disabilities, and behavioral health services for all ages in the State of Maine.
The Opportunity Alliance	www.opportunityalliance.org	The Opportunity Alliance is the Community Action Agency for Cumberland County. Through multiple integrated community-based and clinical programs, they serve more than 20,000 people annually throughout Maine. For 50 years, they have provided advocacy, leadership, and support to help individuals, families, and communities identify goals and address their needs.
MaineCare	Office of MaineCare Services (OMS) Department of Health and Human Services	MaineCare provides health care coverage for Maine’s children and adults who are elderly, disabled, or low-income.

CURRENT PARTNERS

NAME	CONTACT / WEBSITE	TYPE OF SERVICES
Maine Youth Peer Statewide Network	www.mainehealth.org/maine-behavioral-healthcare/care-and-services/counseling-and-therapy-services/peer-support/youth-peer-support-statewide-network	The Youth Peer Support Statewide Network (YPSSN) is a new, growing resource open to any young adult in Maine. The YPSSN program is sponsored by Maine Behavioral Healthcare (MBH) and is open to any eligible young person in Maine, not just MBH patients. YPSSN staff have all self-identified with the experience of mental health and/or substance use challenges and are specially trained in intentional peer support. This is not a clinical or treatment program. Program staff and participants support each other and build connections that help them better navigate the journey to a self-defined, meaningful life.
Wings for Children and Families	www.wingsinc.org	Wings is a non-profit, 501(c)3, licensed mental health agency that has specialized in providing the best care management and case management services to children and adults in Maine since 1995.
Woodfords Family Services	www.woodfords.org	PCHC provides comprehensive, integrated primary health care services in Maine to improve the health and well-being of its patients and communities.
PCHC	pchc.com	PCHC provides comprehensive, integrated primary health care services in Maine to improve the health and well-being of its patients and communities.
Sweetser – Peer Services	www.sweetser.org	Sweetser is a behavioral health nonprofit that provides evidence-based treatment, support, and hope through a statewide network of community-based mental health, recovery, and educational services.
Cornerstone	cornerstonebhc.com	Cornerstone offers behavioral health services to Maine residents through its outpatient offices in Waterville and Bangor and its affiliate network. Cornerstone is committed to being client-focused and maintaining its status as a Center of Excellence in Mental Health and Substance Use Care by providing high-quality, community-based services throughout the State in an ethical, reliable, and effective manner.

CURRENT PARTNERS

NAME	CONTACT / WEBSITE	TYPE OF SERVICES
Spurwink	spurwink.org	Spurwink responds to community needs by providing behavioral health care, substance use disorder services, specialty services for individuals with autism and intellectual disabilities, and support services for people of all ages, abilities, backgrounds, and their families.
Gateway Community Services	www.gatewaycommunityservice.org	Gateway Community Services can provide services to both children and adults, as well as individuals who demonstrate clinical need for the services from a condition due to mental, behavioral, or emotional illness and functional challenges.
Clarvida, formerly Pathways of Maine	www.clarvida.com	Clarvida's mission is to ensure the provision of accessible, practical, high-quality community-based counseling and behavioral health services as an alternative to traditional institutional care. Pathways of Maine is dedicated to ensuring all clients have access to professional community-based care, proven treatment methods, and comprehensive service planning. Pathways offers a wide variety of programs across the country that share a primary commitment to providing care that builds on clients' strengths and addresses their unique individual needs.
G.E.A.R Parent Network	gearparentnetwork.org	The G.E.A.R. Parent Network, a Crisis & Counseling Centers program, is where Gaining Empowerment Allows Results. G.E.A.R. is run by parents for parents who have kids ages 0-21, providing services for parents of children with emotional and behavioral health concerns.
NWIC at Innovations Institute	https://www.nwic.org/	The National Wraparound Implementation Center (NWIC) supports states, communities, and organizations in implementing Wraparound as part of broader health reform strategies.
